# You, *too*, will say we have succeeded

We have tried sincerely to make ours the finest railway in the world. For your safety and your comfort we have spared neither expense, nor time, nor toil. We own and operate all our cars, even the sleeping cars. We train and hold responsible every man that serves you. As the climax of our 60 years of conscientious public service we have *electrified*, over hundreds of miles, that gorgeous section of our right of way across the Rocky Mountains. When you travel on the Chicago, Milwaukee & St. Paul between the Great Lakes and the wonderland of Puget Sound, you will say we have succeeded in making ours the finest and most progressive railroad in the world.
