## **ST. PAUL'S BIG PURCHASE.**

---

**IT HAS ALL THE STOCK OF THE DENVER  
DEPOT AND TERMINAL COMPANY.**

DENVER, Col., Feb. 5.—The statement was made yesterday that all the stock of the Denver Depot and Terminal Company was turned over to the Chicago, Milwaukee and St. Paul Railway Company ten days ago.

The Depot and Terminal Company is the corporate name of the organization formed some time ago to take hold of River Front Park, and the Milwaukee and St. Paul Road is therefore sole owner of that property. The par value of the stock is \$1,500,000, but the terms of sale by T. Briston Walker cannot be exactly learned. He is understood to have been paid about \$1,250,000, and as there are about fifteen and a half acres of the park this is \$80,000 an acre.

The St. Paul is not directly interested in the big fight now going on at Garden Addition, but it is a long way from being cut off from access to the park. It has for some time had a deal on for right of way from a point north of Garden Addition across the Platte River, and thence southwesterly to a point nearly opposite the park.
