
Northern Securities Case Postponed.

ST. PAUL, June 24.—In the United States Circuit Court to-day, Judge Amidon presiding, the action of the State of Minnesota against the Northern Securities Company and James J. Hill, its President, was called, and then set aside until after all the jury cases are disposed of, when Attorney General W. B. Douglas will move that it be remanded to the District Court of Ramsey County, where it originated, and attorneys for the defendants will offer a motion to vacate service.

Chairman Roswell Miller's Denial.

A few days ago a report was published to the effect that the Chicago, Milwaukee and St. Paul had drawn plans and made surveys for an extension of its system into Seattle, and that the road was prepared to spend \$20,000,000 on this extension. Chairman Roswell Miller of the road authorizes a denial of these reports. There has been no survey whatever of the Missouri River, and the story as printed is an invention pure and simple, according to Mr. Miller.
