# Symons Unrivaled Cloak-Store Sales Big Sample Lines Afford Ideal Choosing at Matchless Savings

Monday will be a day rife with interest in the garment salons, because those great sample lines of suits, dresses and coats have been amply replenished. Women will enthuse over the values again, just as they did following the initial display

## Fine Suits of Serge, Cheviot, Broadcloth and **Q** Mannish Materials. Scores Worth to \$30 at P

-Consider, please, that these samples were really specimen suits formerly used by the manufacturing tailors during the making of the fall styles in suits which will predominate in the popular-priced lines this season at from \$22.50 to \$30, inclusive. You know, therefore, that they must be good garments and that their style is undoubtedly correct. The manufacturers had finished with them and symmons purchased them as samples—took all they had—at half price and near. This is, therefore, the reason for selling authentic fall suits at \$15 each—instead of from \$22.50 to \$30. They are going symmons purchased them as samples—took all they had—at half price and near. This is, therefore, the reason for selling authentic fall suits at \$15 each—instead of from \$22.50 to \$30. They are going rapidly and you who want to save on the purchase of a new suit had better take our suggestion as kindly as we give it and make your selection Monday. There will be about 100 handsome styles to choose from—including 3 and 4 button coats with full satin linings, skirts in latest models, sorges, cheviots, broadcloths, rough weaves and monnish mixtures. Fall suits worth to \$30. Monday only \$15.

#### Women's Cloth Dresses Clever New Princess Styles, \$10

—When you see these \$10 dresses you will agree the values are positively magnificent. They are well assorted, too, and provide a most unusual range of effects, considering that they are all of the princess type. About 50 of them remain. Serges of fall weight—in black, brown, navy, cream and striped effects. Most of them silk trimmed; buttons used to splendid advantage.

#### Silk Petticoat Sale

Garments of Excellent \$2.95

-When we look at these silk petticoats we are surprised at our own buying ability. Beautiful Persian taffetas and messalines. Handsome plain and changeable taffetas. Yes, we have all four kinds in this big sale. They are petticoats of recent design, and it was mere fortune that brought them to us at a price enabling us to sell them at \$2.95. SEE THEM!

### ANNUAL REUNION OF VETERANS IS ENDED

Special Dispatch to the Standard. Hamilton, Aug. 24.-The annual encampment of the Grand Army of Hamilton and vicinity came to a close this evening after a rousing camp fire

with singing and an exchange of experiences by the "boys of '61."

The afternoon was marked by some notable speeches by Judge Henry C. Smith of Helena, John McLaughlin of Steveneville and an able address by S. With the first time of the nation met with hearty applause of bis and lens with the feature of the nation met with the hearty applause of bis and lens with the nation was furnished during the day by the school band and Miss Frances Myers rendered soles.

The encampment has been held in the grove at Grantsdale, where a huge barbecue has always been a big feature. But this year's muster is held in the pleasant grounds furnished during the day by the school band and Miss Frances Myers rendered soles.

The encampment closed with the office with marked ability, and who will make the rocompanied by Miss Famile Anson, and friends of the cold soldiers gathered with them for the annual encampment has been held in the grove at Grantsdale, where a huge barbecue has always been a big feature. But this year's muster is held in the pleasant grounds furnished during the day by the school band and Miss Frances Myers rendered soles.

The encampment does the final in the pleasant grounds furnished during the day by the school band and Miss Frances Myers rendered soles.

The continued the office with a rectation by Miss Dalsy Kelley.

One of the features of the encampment has been held in the great Grantsdale, where a huge barbecue has always been a big feature. But this year's muster is held in the pleasant grounds furnished during the day by the school band and Miss Frances Myers rendered soles.

The continued the rectangular of Masters Charles Anson, and Russell progressives republican. It takes the bull moose of the Hamilton by Miss Dalsy Kelley.

One of the features of the encampter leads up the first time senting the day by the school by Miss Balade and the school of the features of the Earnition by Miss Dalsy Kelley.

Special Dispatch to the Standard.

Lewistown, Aug. 24.—For the first time is some and suscent of the He will oppose Judge E. K. Cheadle, who has long filled the office with marked ability, and who will make the race as a progressive republican. It is possible, too, that the bull moose progressives may name another candidate for the place, making it a three-cornered fight. Mr. Ayers served two terms as county attorney and was succeeded in that office by C. J. Marshall, who this year will run for a second term.

have advantages over the one previously suggested of building a suspension bridge across the narrowest part of the Bos-porus to connect the European and Aslat-te railway systems, in that the tube scheme touches the very heart of the
