MILWAUKEE RAILROAD RESTRUCTURING ACT
Public Law 96-101
96th Congress

An Act

To provide for the orderly restructuring of the Milwaukee Railroad, and for the protection of the employees of such railroad.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Milwaukee Railroad Restructuring Act”.

CONGRESSIONAL FINDINGS

SEC. 2. (a) Congress hereby finds that—
(1) the severe operating losses and the deteriorating plant and equipment of the Milwaukee Railroad threaten to cause cessation of its operations in the near future;
(2) a cessation of operations by the Milwaukee Railroad would have serious repercussions on the economies of the States in which such railroad principally operates (the States of Washington, Montana, Idaho, North Dakota, South Dakota, Illinois, Iowa, Missouri, Michigan, Indiana, Minnesota, and Wisconsin);
(3) a cessation of operations of the Milwaukee Railroad would result in the loss of many thousands of jobs of railroad workers and other workers whose employment is dependent upon rail service over the lines presently operated by the Milwaukee Railroad;
(4) experienced railroad employees make a valuable contribution toward strengthening the railroad industry; and other railroads have the ability and willingness to employ displaced employees of the Milwaukee Railroad;
(5) the ownership by employees or by employees and shippers of part or all of the Milwaukee Railroad may be a valuable tool in reorganization and should be given serious consideration;
(6) cessation of essential transportation services by the Milwaukee Railroad would endanger the public welfare, and
(7) cessation of such services is imminent; and
(8) there is no other practicable means of obtaining funds to meet payroll and other expenses necessary for continuation of services and reorganization of the Milwaukee Railroad.

(b) The Congress declares that emergency measures set forth in this Act must be taken to restructure the Milwaukee Railroad and to avoid the potential unemployment and damage to the economy of the region and of the Nation which a cessation of essential services by the Milwaukee Railroad would otherwise cause.

SALES AND TRANSFERS

SEC. 4. (a) The Milwaukee Railroad may negotiate and enter into agreements to sell, to another rail carrier or any other person, all or any portion of its rail properties used in railroad operations as of October 15, 1979. Such sale agreements may in no event become final and effective until the occurrence of an event described in section 22(b) of this Act, or April 1, 1980, whichever first occurs. In taking action under this subsection, the Milwaukee Railroad may consult with the Secretary of Transportation.

(b)(1) The Secretary of Transportation, under the authority of section 5(a)(2)(A) of the Department of Transportation Act, may develop plans, participate in negotiations, and recommend to the trustee proposals for the sale or transfer of any rail properties of the Milwaukee Railroad which are used in rail operations as of October 15, 1978. In taking action under this paragraph, the Secretary shall give preference to financially responsible persons, including governmental entities, negotiating for the purchase of any lines with the intent of providing common carrier service.

(2) Any sale or transfer proposal developed under paragraph (1) of this subsection shall be submitted to the bankruptcy court. Such a proposal may in no event become final or effective until the occurrence of an event described in section 22(b) of this Act, or April 1, 1980, whichever first occurs.

COURT APPROVED ABANDONMENTS AND SALES

SEC. 5. (a)(1) Upon the occurrence of an event described in section 22(b) of this Act, or on April 1, 1980, whichever first occurs, the bankruptcy court may authorize the abandonment of lines of the Milwaukee Railroad pursuant to section 1170 of title 11 of the United States Code. Pending the expiration of the time for appeal of an abandonment order or the determination of any such appeal, the bankruptcy court may authorize the termination of service on a line to be abandoned, and the order authorizing such termination may not be stayed. In authorizing any abandonment pursuant to this section, the court shall require the carrier to provide a fair arrangement at
least as protective of the interests of employees as that required under section 11347 of title 49 of the United States Code.

(b)(1) Upon the occurrence of an event described in section 22(b) of this Act, or on April 1, 1980, whichever first occurs, the bankruptcy court may authorize the sale or transfer of a line of the Milwaukee Railroad to be used in continued rail operations, subject to the approval of the Commission under paragraph (2) of this subsection. (2) The bankruptcy court may not authorize a sale or transfer pursuant to paragraph (1) of this subsection unless an appropriate application with respect to such sale or transfer is initiated with the Commission and, within such time as the court may fix, not exceeding 180 days, the Commission, with or without a hearing, as the Commission may determine, and with or without modification or condition, approves such application, or does not act on such application. Any action or order of the Commission approving, modifying, conditioning, or disapproving such application is subject to review by the court only under sections 706(2)(A), 706(2)(B), 706(2)(C), and 706(2)(D) of title 5 of the United States Code. An application may be initiated with the Commission prior to the date specified in paragraph (1) of this subsection.

(3) Pending review of an application by the Commission pursuant to paragraph (2) of this subsection, the bankruptcy court may, on a preliminary basis, authorize the sale or transfer of lines of the Milwaukee Railroad to another rail carrier. The court may permit the purchasing carrier to operate interim service as a common carrier over the lines to be purchased, without regard to section 10901 of title 49 of the United States Code. In operating such service, the purchasing carrier shall use employees of the Milwaukee Railroad to the extent necessary for the operation of such service. The bankruptcy court may take final action authorizing any such sale or transfer only in accordance with paragraph (1) of this subsection.

Nothing in this section shall be deemed to affect the priorities or timing of payment of employee protection which might have existed in the absence of this Act.

The plan shall include a comprehensive evaluation of the prospects for the financial self-sustainability of the Milwaukee Railroad.

3. Implementation of such plan will occur by April 1, 1980,
4. The railroad proposed to be operated under the plan can be operated on a self-sustaining basis, and
5. The plan contains an assessment of all operating practices, and includes agreements by labor and management to make implementing changes designed to achieve labor productivity increases which may include changes in work rules to increase productivity, consistent with safe operations and adequate service.

For purposes of the determinations under this paragraph, adequate financing shall include all sources of private funds, the probable value and priority of valid claims against the estate, and Federal, State, or local funds available under programs in existence as of January 1, 1980 which are or will be available to the proponent and which the proponent is likely to obtain.

(b) If the Commission finds that the plan submitted under this section is feasible, it shall submit its finding to the bankruptcy court. Within 90 days after the date of such submission the bankruptcy court shall, after a hearing determine whether such plan is fair and equitable to the estate of the Milwaukee Railroad. The Commission's determination with respect to that issue shall be rebutted only by clear and convincing evidence.
